Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Training Aids Branch

DATE: 23 September 1952

FROM : Chief, Support Staff

SUBJECT: Extension of the Instructor Training Course

1. I have discussed the attached proposal with the DD/TR(G) and the DD/TR(S) and both seem to be in accord with the proposal. As a result of our discussion with you last week, it is felt by the DD/TR(G) that other than the training aids phase, the course does not necessarily meet the needs of TR(G) personnel. However, for the purposes of TR(S) it is felt that the course should be extended and approval is hereby granted.

2. This approval is given provided that adequate space is obtainable and that necessary instructors and course material for the second week of the course are forthcoming from TR(S).

3. With respect to your paragraph 6 in which it is pointed out that two instructor positions and one training aids position are provided on the revised T/O, it seems to me that the Instructor Training Course of itself did not justify these additional positions. Please advise me what other functions these individuals would perform.
